1 Legal/Medical Durable Power of Attorney Chiropractic Care, Alternate RX Conference was great! Thank you for your hard work.

1 Medicare presentation best of all.

1 Medicare talk is a must

1 More information on Interstitial lung disease (ILD) would have liked info on TTO2 Info on drug studies.

1 More on vaping & smoking cessation cessation .

1 No presentation during lunch

1 Presentation directed to caregivers -how to be the best caregiver and how to utilize your caregiver for the best outcome.

1 Pulmonary rehab patient experiences .

Count Response

1	Schedule Gary (Yoga Therapist) at a quieter time! His message and work is so valuable.
1	TTO2 presentation should be given
1	Update on Medicare and Medicaid
1	Vendors for careers in pulmonology & Respiratory care for people would be awesome! Or just talk about schooling for it.
1	Volunteers did a wonderful job.
1	Well done, Maybe better to end with the panel (hind thought, I know)
1	What to expect when your health fails. end of life-detailed
1	Would like to see local O2 vendors show up. My vendor is now AeroCare. I don't know if they were invited or not.

1	really liked the emphasis on PR

Count Response

1 updates on Medicare

1 very informative

1 very informative

1 was hoping the conference would be more technical -learn about new innovations, new meds, etc.

1 we could have waited 15 minutes to have lunches handed out. It was rude to the yoga teacher to not have our full attention.

1 would love to address pulmonary rehab more and the importance of it. Also incorporating more info on how exercise physiologists contribute , etc.
